

Hello fellow lovers of dance, kids and the arts in Asheville,

Please join me, in body or spirit, as I show off my bowling 'skills' at Terpsicorps' Bowling for Ballet fundraiser on June 7. I am a great believer in the non-profit dance studio and professional contemporary ballet company and what they bring to the city of Asheville. Summer expenses are quite immense for this small organization, and they can really use our help.

You can either join my team, the **[insert your insanely wonderful name here]**, start your own, donate \$10 or more in my name, or just come out and join the party for \$25. All of the info is at [www.bowlathon.net/event/terpsicorps-2017](http://www.bowlathon.net/event/terpsicorps-2017). The event starts at the Academy with a short preview performance of the professional company's upcoming performances. Sky Lanes is less than a block away, so we will walk right over for two games of bowling.

I need at least five sponsors and thought of you as someone who would understand the value of professional dance performances and education in our community. If you don't know about Terpsicorps, its time to learn. Visit their website at [www.terpsicorps.org](http://www.terpsicorps.org). Their shows are coming up June 22-24 - mark your calendar!

And... the Academy at Terpsicorps is offering wonderful summer camps, classes and intensives for aspiring dancers, ages 3 & up, all summer long. Not too late to register! [www.terpsicorpsacademy.org](http://www.terpsicorpsacademy.org)
