Strike Out All Star Competition

We challenge your organization to form a team and bowl against a team from another division or a competing company to become the **STRIKE OUT ALL STAR CHALLENGE** winner!

Show your support for WomenCARE at our **Strike Out Against Cancer** bowl-a-thon on Saturday, October 26!

Have a great time, beat your challenging team and help us to continue providing FREE cancer support to women and their loved ones in Santa Cruz County!

Here's how it works:

- Agree to participate in the challenge with another team or multiple teams (Teams consist of up to 5 bowlers)
- Each team raises money for WomenCARE
- Bowl your hearts out for one game on October 26th
- Dress up for Halloween to make it even more fun!
- The **Strike Out All Star Award** (and bragging rights!) will go to the team that has the most combination of points:
 - One point for each dollar raised
 - One point for each pin (total for the team) at the end of the game
- Side bets between teams encouraged! (ex: The losing team buys pizza!)
- Winner receives a **Strike Out All Star medal and bragging rights for the year!**
