Since our founding in 1974, **Baldwinsville Community Scholarship Foundation - Dollars for Scholars** has awarded over \$2.2 million in scholarships to over 2500 students in our community. As a board member, it's so rewarding to know that our efforts can truly make a difference in the lives of young people by helping them achieve a college education.

Last year, our first annual Bowling for Dollars for Scholars event raised almost \$5,000 towards our brand-new renewable scholarship program. We awarded our first renewable scholarship in May to Ryan Micho who is now enrolled at Syracuse University. Since then, we have been awarded a \$10,000 matching grant from our National Scholarship America Organization. They will match ANY donation up to a maximum total of \$10,000 that we are able to raise towards our renewable scholarship program. This grant will allow us to offer even more renewable scholarships this scholarship cycle.

Our 2<sup>nd</sup> annual event will be held on Monday, January 20<sup>th</sup>, 2020, at 10 AM. We will also hold an adult's event on Saturday, January 25<sup>th</sup>, 2020, at 7 PM. We are hoping this earlier time will bring more teams to come out for this fundraiser and support our renewable scholarship program.

Registration cost is \$25 per bowler and the number of participants will be limited, based on 16 available lanes and teams of up to 8 people per session.

All bowlers are encouraged to seek sponsors and prizes will go out to the individual and teams that raise the most amount of money.

We are looking for event sponsors, and lane sponsors for this event. We are also seeking donations of gift baskets, gift cards, etc. for door prizes for the bowlers.

If you would like more information about this event, or are interested in registering a team, or possibly being a sponsor of our event, or help us with prizes for the players, please contact us at [bowling@bvillescholars.org](mailto:bowling@bvillescholars.org).
