Women's Cancer Advocacy, Resources & Education

Dear Friends and Family,

On October 23<sup>rd</sup>, I will be participating in WomenCARE's 25th Annual STRIKE OUT AGAINST CANCER Fundraiser.

For over 29 years WomenCARE has been providing free services to women diagnosed with cancer. Covid-19 hasn't changed that, and WomenCARE needs your support more than ever. This event continues to be their biggest fundraiser of the year, so please join me in making the 25<sup>th</sup> bowl-a-thon the most successful ever!

**You have the power to help women living with cancer!**

This is a unique opportunity for you to get involved and to make a BIG difference for people in need.

I am writing to ask for your support. Help me to help WomenCARE. All donations are appreciated and 100% of the proceeds go directly to their support services. I would be glad to participate in honor, or in memory, of someone you know who has been touched by cancer. You may donate online here:

WomenCARE provides cancer advocacy, resources, education, and support to women, their families and friends, and healthcare practitioners at each stage of the journey: diagnosis, healing, surviving, or dying. 100% of the proceeds raised from the Strike Out Against Cancer Bowling Benefit go directly to serving women diagnosed with any type of cancer and to their loved ones. All of WomenCARE's services are completely free. Whether you choose to be part of a zoom team, support someone you know, or make a general donation, we would like to thank you for helping us "strike out against cancer" in support of women in need.

Thank you so much for your support!! And please feel free to forward this to others!
