WE GROW DREAMS
GREENHOUSE & GARDEN CENTER

January 2023

Let's go BOWLING! Our We Grow Dreams BOWLATHON is back!

After almost 3 years of cancellations and reschedules our Bowlathon fundraiser event is coming back and we can't wait! Mark your calendars now for Sunday, February 26th, at Parkside Lanes in Montgomery, Illinois. Adjacent to beautiful Naperville and Aurora, we are so excited to gather our teams and PARTY!

Yes, there will be prizes, auction items and raffles! Yes, there will be other surprises as well BUT the main event will be a huge gathering of our longtime friends, families, donors and supporters who have been the main stay of our program for now, our EIGHTEENTH year!

All we need to make this our biggest most successful BOWLATHON ever is YOU! And even if we haven't seen you for days, months or years, mark your calendar to join us for this major We Grow Dreams Event of the decade!

Registration starts at 12pm – bowling starts at 1pm and ends at 4pm. There is plenty of parking and the bowling alley is HUGE so bring your friends and family and make it a special day in support of We Grow Dreams. The date is quickly approaching so sign up today!

Find all the details you need to sign up and register at: https://www.Bowlathon.net.

EVERYTHING you will want to know, you will find at this website and if you're like me and are tech challenged, simply call the greenhouse at 630-293-0100 and talk with Melanie or call Gail, the coordinator, at 630-624-4804. They can walk you thru the process to get you signed up. We have included a Registration form and Pledge sheet if you want to register by mail or gather support from family, friends and neighbors to support this fundraising event!

If you cannot make the event and want to donate or help sponsor, the Bowlathon website can help you do that, or simply call one of the ladies above…become a sponsor - donate items, giftcards or spirits – or help out with monetary support.

We really hope you can join us for a fun afternoon of friendship, laughs and smiles!
