"All Kids Count"

Request for Support

Dear Supporter of Community Youth Mentoring,

Community Youth Mentoring originated in 1968 as V.I.A. Clubs of Erie County (Volunteers in Action), and in 1997 V.I.A. Clubs became an affiliate of Big Brothers Big Sisters until we chose to disaffiliate from the national organization in 2017. Community Youth Mentoring is honored that we have been in this community for 56 years serving at risk youth with our mentoring program.

Our Bowl for Kids' Mentoring event is the largest fundraising campaign for Community Youth Mentoring. The funds raised fill an immediate need, not only financially, but by transforming the life of a child and making "All Kids Count."

One in three children in our community do not have enough positive adults in their lives. Community Youth Mentoring's One-to-One Mentoring (Traditional Mentoring) and our School Buddies program focuses on intervention, social and emotional support, confidence, and building improved relationships in our community's youth. The results not only benefit the youth and their families but impact our entire community.

Funding is an ongoing challenge, and the need for mentoring is greater than ever. It is our hope that you will contribute and support the youth of our community and our 2024 Bowl for Kids' Mentoring event. Your support will help make "All Kids Count" in our community.

We have included sponsorship details in this packet and look forward to seeing you on Sunday, April 28, 2024, at our Bowl for Kids' Mentoring fundraiser.

Thank you for your kindness and consideration,

Annette Ferrell
