Women's Cancer Advocacy, Resources & Education

**Dear Friends and Family,**

On October 26th, I will be participating in WomenCARE's **28th Annual STRIKE OUT AGAINST CANCER Fundraiser**. For over 30 years, WomenCARE has been providing FREE practical and emotional support services to women diagnosed with cancer. This event is their biggest fundraiser of the year, and I hope you will join me in making it the most successful one yet!

**You have the power to help women living with cancer!**

This is a unique opportunity to get involved and make a BIG difference for those in need. I am writing to ask for your support. Help me support WomenCARE by donating. Every donation is appreciated, and 100% of the proceeds go directly to their support services. I would be honored to participate in honor or in memory of someone you know who has been touched by cancer.

**You can donate online here:**

WomenCARE provides cancer advocacy, resources, education, and support to women, their families and friends, and healthcare practitioners at each stage of the journey: diagnosis, healing, surviving, or dying. 100% of the proceeds from the Strike Out Against Cancer Bowling Benefit go directly to serving women diagnosed with any type of cancer and their loved ones. All of WomenCARE's services are completely free. Whether you choose to be part of a virtual team, support someone you know, or make a general donation, thank you for helping us "strike out against cancer" in support of women in need.

Thank you so much for your support! Please feel free to forward this to others!
